ALL-COUNTY LETTER NO. 88-92

TO: ALL COUNTY WELFARE DIRECTORS

SUBJECT: TITLE IV-E INDEPENDENT LIVING SKILLS PROGRAM
INCENTIVE PAYMENTS AND ADDITIONAL CLAIMING
INSTRUCTIONS

REFERENCE: ALL-COUNTY LETTERS NOS. 87-161 and 88-45

This letter updates All-County Letter No. 87-161 and supercedes All-County Letter No. 88-45.

This letter is to provide Counties with information regarding recent Federal Government approval for incentive payments which may be made to adolescents aged 16 and over who are Title IV-E participants in the Independent Living Skills Program (ILSP) and to provide Counties with revised time study and claiming instructions.

Incentive Payments

"Incentive Payments" are defined as "reasonable" rewards for youth to motivate the youth to participate in and to successfully complete Independent Living Skills training. Incentive payments are not to exceed \$50 per month per youth.

"Reasonable" is a common sense approach taking into consideration costs within a particular County. Reasonable would not include such items as VCRs, TVs, or payment of a reimbursable item such as transportation, etc.

Rewards may be in the form of cash payments for class attendance, accurate and completed homework assignments, successful ILSP training completion, pots/pans to help youth in later establishing a household, etc. No comprehensive list can be developed. Any rewards offered must be made available to all Title IV-E youth participating in the ILSP training at an equitable rate. For example, if one youth is offered \$1.00 to attend class, the same rate of \$1.00 is offered to all participating Title IV-E youth to attend class. It would be inappropriate to offer one adolescent \$1.00 and to offer another adolescent \$2.00.

No incentive payments are to be made to foster care parents or to group home providers.

Counties using incentive payments as part of the ILSP are to develop a printed incentive payment policy for the program. A copy of the County's policy for incentive payments will be required as part of the ILSP program plan for Fiscal Year 1988/89.

Time Study and Claiming Instructions for the Independent Living Skills Program (ILSP):

The following instructions are effective beginning April 1, 1988.

Allocable Casework Costs:

Time spent by County Welfare Department (CWD) social services workers performing for Federally eligible children ILSP case management activities, such as assessing the need for ILSP services, developing the ILSP services plan and referring the child to services providers, is to be identified on the Social Services Worker Time Study (DFA 46), line EE, ILSP-Administration. The salaries, benefits and allocable support costs associated with these hours are to be reported throughout the administrative expense claim on line 20 as "ILSP-Administration" costs.

Time spent by CWD social services staff providing to Federally eligible children direct ILSP services, such as independence counseling, is to be identified on the DFA 46, line FF, ILSP-Services. The salaries, benefits, and allocable support costs associated with these hours are to be reported throughout the administrative expense claim on line 21 as "ILSP-Services" costs.

Time spent by social services staff and first-line supervisors on ILSP Administration or Services activities on behalf of Non-federal foster care children must continue to be identified to either the Family Reunification-Nonfederal or Permanent Placement Program-Nonfederal, as appropriate, on the DFA 46, lines J or K, respectively. The salaries, benefits, and allocable support costs associated with these hours are to be reported throughout the administrative expense claim on line 4 as "CWS/Non Title IV-E" costs.

Staff Development Costs:

Under current staff development regulations, social workers attending training of less than eight consecutive weeks are to identify their time on the Social Services Worker Time Study (DFA 46) to line EE, ILSP-Administration. The associated salaries and benefits are to be claimed in the Allocable Casework-Social Services cost pool. Refer to the Manual of Policies and Procedures, Staff Development and Training Regulations, Section 14-214 for a complete listing of allowable staff development costs for social services staff attending training.

Revised staff development regulations will be filed with the Office of Administrative Law on August 1, 1988, and will be effective October 1, 1988. These regulations will allow the salaries and benefits of social services workers in training for at least five consecutive days to be charged as a staff development cost.

Direct Costs:

Costs such as ILSP contracted services, incentive payments, or work- or training-related expenses are to be reported on the Direct Cost and Abatement Detail Schedule (DFA 325.1B). Indicate the type of cost and, if a contracted service, the name of the contractor and the contract number.

Clerical/Administrative Support Staff Salary Costs:

When there are no ILSP-related social services staff time study hours during the project, time spent by clerical and administrative support staff performing ILSP activities, such as contract negotiation or development of videotape presentations, may be charged to the ILSP program. Counties which plan to use this claiming provision must submit a request to the Fiscal Policy and Procedures Bureau for specific claiming instructions.

Effective with the July-September 1988 quarter, the time reporting methodology and claiming of these salaries and benefits must be in accordance with each County's approved Annual Time Reporting Plan.

All ILSP costs are to be reported throughout the administrative expense claim on line 20 for "ILSP-Administration" and on line 21 for "ILSP-Services" and identified as 100 percent Federal funds on the Social Services Fund Distribution form (DFA 327.7A). A maximum of 20 percent of each County's ILSP allocation may be

spent on ILSP-Administration activities. Counties may use more than 20 percent of their total allocation for ILSP-Administration activities only with prior written approval of the State. The final ILSP allocation is attached with a 20 percent administration cap column.

State Contacts

Questions regarding the Independent Living Program time study and fiscal claiming instructions should be directed to the Fiscal Policy and Procedures Bureau at (916) 445-7046.

Questions regarding Independent Living Program implementation issues should be directed to Ms. Beverly Gronlund of the Family and Children's Services Policy Bureau at (916) 323-6514.
